

Membership Development Plan 2012-2015 - ZONES 7B & 8

The future of Rotary depends on a thriving and dynamic membership. It is only through the time and talents of our volunteers that we are able to make a difference in communities worldwide.

In Australia, New Zealand and South Pacific Islands, Rotarians share a genuine commitment to membership development...to build on our strengths in service, to reverse recent declines in membership, and to welcome in a new period of growth and effectiveness.

This membership development plan for Australia, New Zealand and South Pacific Islands provides a road map to growth over the 2012-2015 period. Its success will depend on the continued commitment and efforts of Rotarians as we implement the plan, and steer our course to membership development and growth.

The plan

To achieve sustained membership development and growth over the next three years, we will focus on five strategic priorities.

2. Develop informed and skilled Rotarians
